Prologue

■ Thank you for selecting this model of AUSA dumper (hereafter called dumper), which offers you the best in terms of value for money, safety and operating comfort.

The preservation of these qualities over a long period of time lies in your hands. The correct use of your dumper will allow you to make the most of its potential.

We recommend you read and study the Operator Handbook before using the dumper; this is to instruct all individuals who may come into contact with the dumper, especially the operator. The contents of the Handbook will help you to get to know your AUSA dumper, including: everything concerning start-up, driving method, maintenance, preservation, the uses for which it is designed and the safety instructions that should be kept in mind.

Any damage resulting from the incorrect use of the vehicle shall not be deemed to be the responsibility of AUSA.

In the event of query, complaint or to place an order for spares, please contact your Official AUSA Agent - Distributor.

For further information, please contact:

AUSA Center, S.L.U.

Apartado P.O.B. 194

08243 MANRESA (Barcelona) SPAIN

AUSA is continually improving its products and reserves the right to make the necessary modifications, without being obliged to incorporate these modifications into previously sold products. As such, we will not accept claims that are based on the data, illustrations or descriptions included in these instructions.

Only original AUSA spare parts should be used. This is the only way to guarantee that AUSA machinery has the same operational level as at the time of delivery..

No alterations should be made to the vehicle without the prior authorization of the manufacturer.

Keep this handbook in the space on the right hand side of the engine compartment -fig. 1-.
