

# PROJECT X1/9

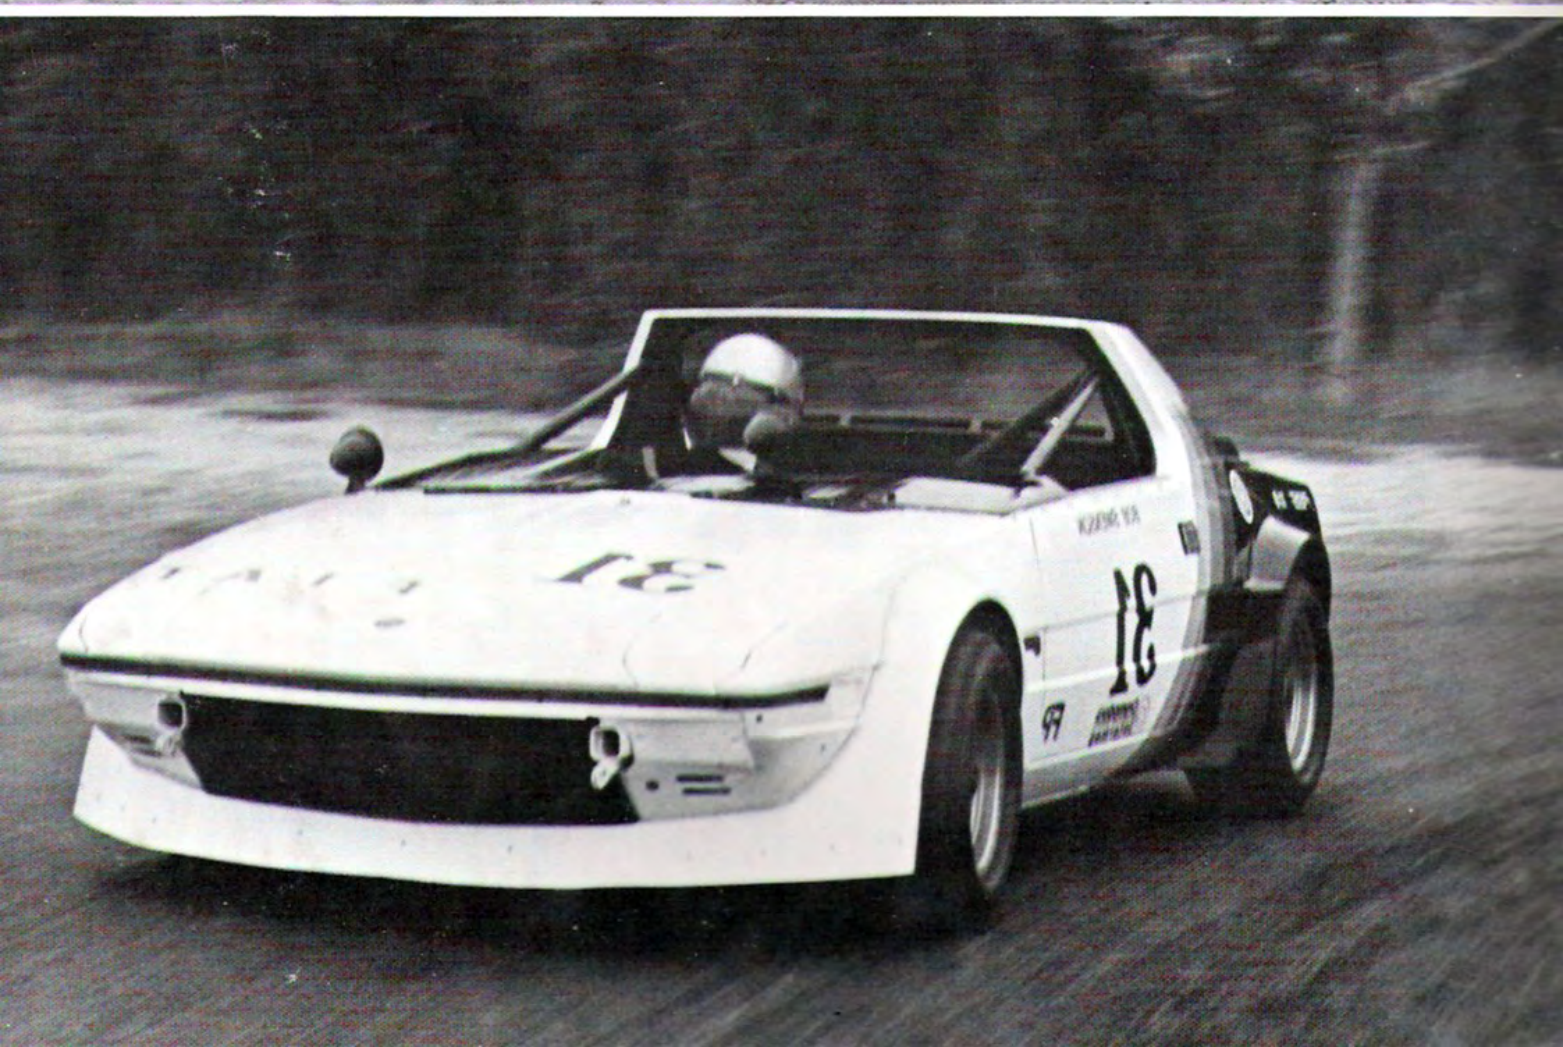

## The Complete Guide to Racing Preparation of the Fiat X1/9

# PROJECT X1/9

## The Complete Guide to Modification for Competition of the Fiat X1/9

---

### IMPORTANT NOTICE

Modifications of the type described herein are not suitable for vehicles licensed for street use. They will also render the vehicle illegal for street use, as Federal law restricts the removal or modification of any part of Federally required emission control systems. Further, many states have enacted laws with various penalties for tampering with, or otherwise modifying, any required emission or noise control system.

Though SCCA General Competition Rules have been taken into account in the preparation of these recommendations, it is the responsibility of each individual owner or driver to ensure that his car conforms to the SCCA rules. Neither

Fiat Motors of North America nor its dealers can be held responsible in connection with any protest or disputes resulting from illegal modification of parts.

Fiat vehicle and parts warranties are voided if the vehicle or part is used for competition or if they fail as a result of modification. Competition parts or assemblies described herein as offered by PBS Engineering or any other vendor are sold "as is" without any warranty whatsoever. The entire risk as to quality and performance of such parts is with the buyer.

### INTRODUCTION

The information contained in this volume has been prepared by PBS Engineer-

ing of Garden Grove, California at the request of Fiat Motors. In it, PBS makes available to the SCCA competitor the sum total of many years of experience in the preparation for racing of Fiat cars. It is our hope that this information will be of value to those who compete with Fiat X1/9 automobiles. Clarification on the methods described, if needed, should be obtained directly from PBS Engineering.

This book is not intended as a substitute for the shop manuals and guides that Fiat Motors makes available for the servicing of its products. It is written to be used in conjunction with such manuals and guides.

Fiat Motors wishes you the best for success in your competitive efforts with the X1/9.

# CONTENTS

<b>CHASSIS/BODY</b>	3	Dry Sump Oil System	28	<b>BODY MODIFICATIONS</b>	20
<b>REAR SUSPENSION</b>	3	Cylinder Bores	28	Seat	20
Rear Suspension Body/Frame Modifications	3	Crankshaft	28	Fender Flares	20
Rear Strut Modifications	5	Pistons	29	Windshield	22
Rear Adjustable Camber Plates	6	Connecting Rods	29	Grill	22
Rear Anti-Roll Bar	8	Bearings	29	Air Dam	22
Rear Suspension Bushings	8	<b>ENGINE ASSEMBLY</b>	29	<b>PLUMBING, ELECTRICAL</b>	
Left Rear Control Arm Modification	9	Checking Piston, Head and Valve Clearance	29	<b>AND INSTRUMENTATION</b>	22
<b>FRONT SUSPENSION</b>		Checking Cam Timing	29	Oil System	22
<b>AND STEERING</b>	9	Head Bolts	31	Fuel System	23
Front Suspension Body/Frame Modifications	9	Pan Baffle	31	Brake Plumbing	24
Modifications to the Front Struts	11	<b>CARBURETOR AND INTAKE</b>		Clutch Plumbing	24
Front Adjustable Camber Plates	11	<b>MANIFOLD MODIFICATIONS</b>	31	Cooling System	24
Steering Rack and Mounting Modifications	13	Carburetor	31	Fire Suppression System	25
Front Anti-Roll Bar	13	Intake Manifold	32	Wiring	25
Front Suspension Bushings	14	<b>IGNITION SYSTEM</b>	32	Instrumentation and Switches	26
<b>BRAKES</b>	14	1300 Ignition System	32	<b>ENGINE</b>	26
Front Brakes (F-Production 1500 X1/9)	15	1500 Ignition System	32	<b>CYLINDER HEAD</b>	
Front Brakes (G-Production 1300 X1/9)	15	<b>EXHAUST SYSTEM</b>	32	<b>AND VALVE GEAR</b>	27
Rear Brakes (G- and F-Production)	15	<b>TRANSMISSION, FINAL DRIVE,</b>		Ports	27
Brake Master Cylinders	16	<b>CLUTCH AND FLYWHEEL</b>	33	Combustion Chamber	27
<b>ROLL CAGE</b>	16	Changes Associated With 5-Speed Gearbox	33	Valves	27
<b>WHEELS, TIRES AND</b>		Close Ratio Gears	33	Valve Springs	27
<b>WHEEL ALIGNMENT</b>	19	Bearing Sleeves	33	Cam and Cam Timing	27
Wheels	19	Differential	33	Tappets	27
Tires	19	Flywheel and Clutch	33	Valve Guides	27
Wheel Alignment	19	1500 C-V Joints	34	Head Gasket	27
				<b>ENGINE SHORT BLOCK</b>	28
