SPERRY  NEW HOLLAND

IMPORTANT

Portions of this catalog have been reproduced from Deutz Parts Catalog and list those parts which are applicable to Deutz F3L 912 engines as used on Sperry New Holland equipment. Most parts used on these engines are cataloged and available only thru Deutz dealers. Only those items with New Holland part numbers should be ordered from Sperry New Holland.

To obtain the maximum benefits from the Deutz service, it is important that you contact your local Deutz dealer as soon as you receive your first machine equipped with any of these engines. At that time the Deutz dealer will explain the various types of parts, service and warranty programs available to Sperry New Holland dealers.

NOTE: Refer to respective machine Service Parts Catalog for engine attaching and related parts which are not shown in this manual.
