

# REPAIR PARTS LIST

MODEL NO. 77

**NEW HOLLAND**  
**AUTOMATIC PICK-UP BALER**

## I M P O R T A N T

When ordering repair parts follow the instructions listed below. By so doing, you will be assured of receiving the correct part in the shortest possible time.

1. **Give the Baler model and serial number.**
2. **Write the complete part number as well as the description of the part.**
3. **All orders should be sent to the nearest Authorized New Holland Dealer.**
4. **Give detailed shipping instructions, that is: Railroad station, county; whether shipment is to go by parcel post, air express, express, freight or truck.**

You will always have both the Baler and motor serial numbers handy if you write them here.

Baler serial number .....

Motor serial number .....

Insist on genuine New Holland repair parts. For best performance have your Baler serviced by an Authorized New Holland Dealer.

The New Holland Machine Company is continually striving to improve its products.

We must, therefore, reserve the right to make improvements, or changes, when it becomes practical and possible to do so, without incurring any obligation to make changes, or additions, to the equipment sold previously.
