Please read this operating manual carefully before driving your vehicle.

The specific instructions contained in the operating instructions of the manufacturer must also be observed.

You need the additional ZF-Intarder Operating Instructions, order number 6085 758 102, for servicing and maintaining the ZF-Intarder.

Your vehicle is fitted with a **ZF-ASTronic** automatic shift system. The more you familiarize yourself with this system, the more economically you can drive your vehicle. This operating manual will provide you with all the information you need to be able to make full use of the advanced technical features of the ZF-ASTronic.

To ensure operating safety, please note the maintenance specifications.

Specialists employed by ZF Customer Services are always available to help with maintenance work on the transmission and are there to assist you should any other problems occur. The relevant addresses can be obtained from ZF in Friedrichshafen.

We would like to wish you pleasant driving with your ZF-ASTronic
